ACTION REQUESTED

No action is requested at this time. This item is for information and discussion only.

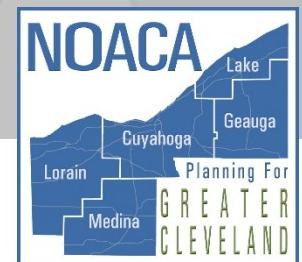

PREVIOUS ACTION

No previous action on this topic.

BACKGROUND

The division of External Engagement and Public Affairs seeks to expand the Agency's communications and branding of NOACA with a podcast program to support the Agency's services, initiatives and legislative agenda.

BACKGROUND

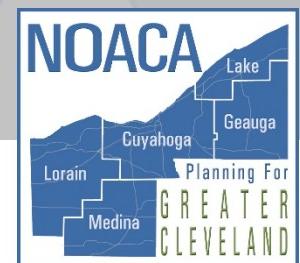

The goals of the series is to create a platform where:

- Narrative and strategic messaging will be advanced through specific content dialogue;
- Used to inform and influence the Agency's views, roles and responsibilities as an MPO;
- The mission is to grow our stakeholder audience and create a following to increase NOACA's exposure and relationship building throughout the region.

BACKGROUND

- The podcast will be produced in-house at a newly designed Marketing Suite with weekly broadcasts.
- A lineup of topics and speakers will be scheduled two months in advanced in order for cross promotions and marketing to be accomplished.
